Eleven-Eleven - LOVED IT!

Dear Anne,

I wanted to drop you a quick e-mail to let you know how much we enjoyed your lovely home on Tybee Island!

My family (me, my husband, and my two teenage children) was there over the kid's spring break from school, from March 31st through Thursday, April 5th. While we were there, we celebrated our son's 14th birthday, on April 1st. I made a fun birthday cake for him in your awesome kitchen, along with a delicious pork tenderloin for dinner. We felt so comfortable as the whole home is decorated with such a warm, homey feel. My husband and I both enjoyed the screened in porch, specifically in the mornings while drinking our cup of coffee, and again in the evenings before turning in for the night.

I honestly cannot think of anything that could have made our stay more enjoyable than it was. We rode your bikes around the island (and the air compressor/pump was so simple to use, and quite handy). The garage area was perfect for storing our beach chairs and other sandy items so we didn't have to worry about dragging sand into the living spaces.

And I love all the personal touches you added to your home for your guests, such as the Tybee book (with your personal note in front), the pictures of your beautiful family through out your home, your poems that are hanging in the kitchen, just to name a few.

Honestly, it was ideal! Thank you so much for sharing your lovely home with my family.

Linda and Ernie \*\*\*\*\* (and Morgan and Matt)

PS - I was going to send you a couple of pictures from our stay, but I couldn't attach them or copy them here.
